Summer Schools general terms

Reception of the pre-registration certificate of the Carré international implies full acceptance of the «General Terms» listed below.

Payment of training costs

Registration is not final until payment of tuition fee is done. Payment must be made in full at time of registration and at the latest before the deadline set for each session. In the case of payment by bank transfer a proof of payment must be attached. Registration requests without payment or, where appropriate, proof of payment, will not be considered.

Cancellation of a session

Cancellation is only possible in case of emergency (*denied visa, repatriation for health reasons or certified illness, death of a parent...*). A refund request form will be provided at the Carré international's secretariat by e-mail (intl.fle.cie@unicaen.fr). It should be returned to the Carré international fully completed, along with all the requested documents (notification of visa refused, medical certificates, plane ticket...).

If the answer is positive, refund will be made by bank transfer.

Cancellations for other reasons, before or during the semester, are not eligible for refunding.

The director of the Carré international reserves the right to cancel a program if the number of students is insufficient.

Payment and cancellation for groups

Special conditions relating to groups are transmitted together with the quote sent to partners.

Liability

The Carré international cannot be held responsible for any losses, damages or prejudices undergone by persons or goods, except for cases where its liability is expressly provided for by French law.

In case of litigation, only French law applies.
